RE: JJ Superior Metal, Inc.
Letter of Recommendation

To Whom It May Concern:

I'm extremely pleased to submit this letter of recommendation for
JJ Superior Metal, Inc.

They have done a number of projects for us, most notably the large
metal roofs of the 4 main facades of the Schaumburg Town Center. This
was an exterior remodel of a shopping center with open businesses.
JJ Superior started as scheduled, completed on time and exercised great
caution to allow shoppers safe access to stores and health facilities.

Both Jerry and Jon Shea are very knowledgeable and always available to
discuss work items whether by phone or meeting at a site. Their
support staff, both field and office, also make decisions fast and decisive
in order to maintain work quality and progress.

For any additional information, please contact me directly.

Yours truly,

Di Iorio Development

Re: JJ Superior Metal Inc.
Letter of Recommendation

To Whom It May Concern:

I contracted JJ Superior Metal to replace my existing cedar shake roof with a standing seam metal roof on my 2,600 square foot residence in Equestrian Estates a few years ago. The project included replacement of 5 skylights, and all gutters and downspouts. They maintained a clean job site and were very organized.

Their expert skills, attention to detail and excellent workmanship make them a step above their competition.

I would highly recommend JJ Superior Metal Inc. They are a pleasure to work with and their customer service is wonderful.

I look forward to working with them on future projects.

Respectfully,

RE: Letter of Recommendation – JJ Superior Sheet Metal, Inc.

To Whom it May Concern:

JJ Superior Sheet Metal, Inc. completed a large siding installation job for me in Countryside in the summer of 2019. They also completed a job for a colleague of mine in the summer of 2018.

JJ Superior is a great company to work with. They met on-site to review all needs prior to work commencing and informed me of what we should expect during the work. The entire job went smoothly working with a building that occupies 20+ tenants. The company was very responsive to any request's tenants had and very easy to work with. Value Industrial Partners, LLC will definitely work with JJ Superior Sheet Metal, Inc. on any future siding jobs we have.

Sincerely,
